TYGER 3

NITROGEN GENERATOR / FILLING STATION

BENEFITS OF NITROGEN:

- Maintains tire pressure better
- Keeps tires 20% cooler
- Nitrogen-filled tires use less fuel
- Potentially reduces tire failures by as much as 80%
- Improves handling and performance

MACHINE FEATURES:

- Cost-effective, turn-key, add-on service
- Small footprint and high portability
- Nitrogen membrane output purity > 96%
- On-board six (6) gallon tank stores 43 gallons of Nitrogen at 115 psi
- Complete with four deflators, service value calculator and green stem caps
- Vacuums and inflates 225/70/R16 in 1 minute 45 seconds enabling service of 5-7 vehicles an hour (@\$34.95 per vehicle, that's \$175-\$245 per hour potential revenue)
- Automatic nitrogen tank refill when tank pressure drops below 100 psi—refills at 1.8 CFM
- Easy change filters with sight change indicators
- Approved filling gun with large pressure gauge

**5 to 7
Vehicles / Hour**

Applications: General Service, Quick Lubes, Non-tire Specialty Shops
